

A Celebration of Life for the Living

Every Thursday between 4pm and 7pm I am inviting you all to come out and enjoy yourselves, partake in fellowship with friends new and old, enjoy great, reasonably-priced food and beverage (you don't have to drink alcohol!) and who knows what else?! It is my hope that every week a party will break out - with people bringing their instruments and playing for those in attendance!

The proceedings will take place at Geez RestoBar Café, 6710 St. Jacques W, just west of Cavendish. Please tell all your friends, come on out and make an evening of it! I look forward to seeing you all there and to speaking with each and every one of you!

All my best,
