

St. Ignatius

## A Morning with God

God is Love. And in NDG, I don't know of a place where this is more appropriately demonstrated than in the congregation of St. Ignatius Church.

I had not been to church for a very long while previous to going on Sunday April 21. I had my preconceived notions of what going to church would entail. They were shattered as soon as I walk into the hall! First off, the church is massive - and beautiful - with vaulted ceilings and extremely bright and lively!

There was wonderful live music coming from a 3-4 piece band in the front of the hall. And there were children everywhere! And young families! All smiling and joyful! My experience was transformative! And then the service began. Father Lou was master of ceremonies and he connected with all what must have been 300 of the congregants as he made his way down the aisle to the pulpit. His sermon was concise and very interesting - and not too long!

And as fast as it started, it was over! Aw shucks! I wanted more! If your soul thirsts for connection with people, I implore you to come out and be a regular part of St. Ignatius' Sunday services. You don't have to dress up. You don't have to give money. Just BE. St. Ignatius Church is located at 4455 West Broadway, between Somerled and Sherbrooke. See you there this Sunday!

All my best,
